Grain Bags?

The Lower Souris
Watershed Committee
has a grain bag roller
available to residents of
the Lower Souris
Watershed

The roller will be located at the RM of Walpole Shop and will be available 7 days a week. Call to schedule.

Plastics to be dropped off at Wawota by appointment.

We are excited to announce...

that the Lower Souris Watershed Committee has recently acquired a Grain Bag Roller for residents of the watershed to use on their farms free of charge!

Recycle with ease

Simply contact us to schedule a date to use the roller on your farm. Roll your plastic bags. Leave rolled bags on the trailer and they can then be returned with the roller once you've finished with it.

Other Ag Plastics Collected:

- Grain Bags / Silage Plastic
- Twine
- Netwrap*

*Collecting netwrap for a recycling pilot program. Contact for more info.

Why use the roller?

- Clean plastic from your farm
- Save plastics from landfills or burning
- Avoid fines
- Improve transportation efficiency

To book the roller or for more information contact:

Tyler Fewings, Watershed Manager at (306)452-3292.
