**“Water and Wildlife” Poster Contest**

Thank you for expressing interest in the Saskatchewan Association of Watersheds Annual Poster Contest! The Lower Souris River Watershed in which you live is one of 11 provincial watershed associations participating in this year’s contest. The Lower Souris Watershed Committee (LSWC) will be providing prizes for the top 3 local winners within our watershed. The 1st place winner’s poster within our watershed will then be judged at the provincial level against the top posters from the other 10 watersheds for the chance to win the provincial grand prize – a \$1000 Cabela’s gift card!

Possible topics for your poster:

- How does wildlife interact with our water?
- How does the health of the water in our environment affect wildlife?
- What types of wildlife live in our watershed?
- Why is water important for wildlife?
- What lives in and around our surface water?

**Be creative!**
